

DONNA DANIELLI
Halton DSB
Central West Region

Candidate for: Regional Chair

Donna Danielli's core values revolve around collaboration, communication and respect.

She has served in a number of formal and informal leadership roles on the Halton DSB including Chair of the Board's SEAC and Vice Chair of the Board.

She is an advocate for equity and inclusion in life and education.

Donna's involvement in Halton and Milton is extensive. Her work as Executive Director of the Milton Transitional Housing and as a volunteer in her community puts her in the unique position of melding community, business, social, educational and political visions.

Donna has been a volunteer for much of her life, as a youth in the local hospital and in her early twenties as a tutor at the Don Jail where she realized just how important an education and literacy skills were in life. In her spare time, she is a voracious reader and a self-proclaimed nerd with a love of all things geeky.

Donna has twice been nominated for Business Person of the Year by the Chamber of Commerce in recognition of her community involvement, and she has also been nominated for an Athena Award.

In 2012, she was honoured for her community service with the Queen's Diamond Jubilee Medal and in 2022 with the Queen's Platinum Jubilee Pin. In 2025, Donna was presented with the King's Coronation Medal in recognition of her commitment and value to her community.

Donna is an accomplished organizer, a skilled communicator, a passionate advocate for equitable and inclusive education and, at a time when public education truly needs champions, a collaborative and politically savvy leader
