

**ARLENE MORELL**  
**Thames Valley DSB**  
**Western Region**

**Candidate for: Regional Chair**

With over 15 years of leadership experience in public education, Arlene has served in a variety of roles at the local, district, and provincial levels. She is a recognized relationship builder and advocate, known for her collaborative approach and commitment to good governance. Arlene brings a visionary mindset to her work, advancing innovative strategies that support inclusive and effective education systems. Her leadership has fostered strong partnerships with parents, school staff, community organizations, and municipal leaders. She has led successful leadership initiatives, facilitated community forums, and developed resources focused on inclusion and leadership, all aimed at strengthening relationships and enhancing communication within the education sector. Arlene remains dedicated to nurturing meaningful connections and upholding the best interests of all students served by public education.
