

CAROL ANN SLOAT

Grand Erie District School Board
Central West Region

Candidate for:

Regional Council Representative for the Education
Program Work Group,
Alternate Regional Council Representative for the
Education Program Work Group

I have served as a trustee for 6 terms for the Grand Erie District School Board
I have served on the EPWT for many years, I would like the opportunity to continue to serve.
EPWT serves an important purpose at OPSBA, being able to discuss issues in a more in-
depth way.
