

PINKY MCRAE

Superior-Greenstone District School Board
North West Region

Candidate for:

Regional Chair
Regional Vice-Chair

As a Trustee with the Superior-Greenstone District School Board since 2010 and Chair since 2011, I bring 16 years of experience in school board governance, policy development, and advocacy. My passion for education began as a parent and later as a member of the Provincial Parent Board from 2007–2009, where I collaborated with 17 other parents from across Ontario in discussions on key education issues.

Governance is my strong suit, and I believe in the power of a well-informed board. I am committed to working tirelessly to learn and understand the perspectives of the Member Boards within our Northwest Region in order to effectively represent their needs at Board of Directors meetings.

Throughout my tenure, I have been a strong voice for public education, particularly for the unique needs and challenges facing Northern and rural communities. In these changing times, it is more important than ever that trustees from Member Boards across our Region continue to network and collaborate to ensure the voice of our students is loud and clear. Together, we can make a difference.

If selected, I will work hard to ensure Northwest issues are brought to OPSBA table and that the interests of all students in our Northwest Region are strongly represented.
