

### 13. Outstanding 2020-21 School Year & COVID-19 Transfer Payment Agreement Final Reports

A number of boards still need to submit one or more of the 2020-21 school year final Narrative Reports and/or Certified Expenditure reports for regular school year Transfer Payment Agreements (TPAs) as well as COVID-19 TPAs that were due October 31st, 2021 or before. These reports will inform the ministry's reconciliation of 2020-21 school year data on outputs, outcomes, and results achieved, allow payments which are tied to TPA reporting to flow, flag any underspending, as at the end of each funding year unspent funds must be returned to the Ministry; and where appropriate, send a close out letter to the TPA recipient following the conclusion of the TPA, in order to conclude the transfer payment accountability cycle. Please submit any outstanding reports no later than Friday, March 18, 2022.
