Dear Colleagues,

I am writing today to invite you to the 2018-19 Education Funding Engagement sessions. Similar to previous year's engagements, the input provided this year will be instrumental in making decisions to improve formulas used to fund education in Ontario.

Engagements with key education stakeholder groups will be held in October to December of this year. Staff from the Ministry will be contacting the various association offices with details on timing, location and attendance for these sessions. Engagements with school boards will also take place this fall.

Similar to last year, we have prepared an Education Funding Engagement Guide, which is attached. We encourage you to share your comments on the topics in this guide as well as any other areas you feel deserve further consideration.

In addition to face-to-face sessions, as with previous years, we welcome written submissions. Please provide your comments by December 1, 2017, directly to Dana Skalin, Education Funding Branch, at dana.skalin@ontario.ca or through your respective association.

I look forward to hearing your views as we continue to work together on directions for the future of education funding in Ontario.

Sincerely,

Andrew Davis
Assistant Deputy Minister
Education Labour and Finance Division
